ATHLETICS LOSE

R. S. Pyle, your Telephone Manager in Torrance

WHAT'S DOING

Is this the world's most popular machine? You'd think so, judging by the number of phone calls it gets—more than 100,000 daily!

It's called an Audichron. Just dial "time service" and it will give you the correct time every ten-seconds, of every minute, of every hour. In just one day, this adds up to 8640 announcements. Best of all, this remarkable machine never gets tired.

The Audichron is completely automatic.

It's regularly checked with Naval Observatory Time for accuracy. Should it stop operating for any reason, there's a standby machine ready to take over immediately. Providing the "time-service" is another way telephone people work constantly to make your telephone more valuable to you.

Beauty is more than skin-deep, to the people who make your telephone. I understand that they buy cosmetic chemicals in large, economy-sized truckloads.

Seems that talcum powder adds strength to plastics used in telephone parts. An industrial blend of rouge is used to polish metal parts to high luster and close tolerances.

Peroxide—used when tinting hair—is also used by phone makers in tin plating solutions.

Paraffin, an ingredient found in lipstick, is used as a moisture-proof agent in underground telephone cables.

And, certain ingredients used in cold creams, skin softeners, soap and nail polish lacquers help give your telephone long life and lasting beauty.

SUMMER SIESTA

This is the time of year when many a family backs the car out of the garage and heads for the mountains and oceans for a couple of weeks or so.

Leaving the toil and stress of the 50-week world behind for a while—which seems forever when you're leaving and no time at all when you get back—you light out blissfully for the open road.

Although our service goes on 24 hours per day, 52 weeks per year, we at Pacific Telephone take our vacations regularly, and, just like you, here are some of the things we might forget without a reminder.

1) Get that old car—or new one for that matter—checked before you wheel out onto the highway.

2) Drive carefully—even if it means you'll have to come back to the old grind again.

3) Telephone ahead to confirm reservations.

Also, if you don't mind our saying so, it's nice for the hard-working folks back at home to hear from you once in a while—via telephone, naturally.

Bon voyage.

Fast time for the "B" class was set by Doug Holt, at 8:38. Trophy dash went to Tina Fowler, main event winners were Brother Brogden and Doug Holt.

Billy Beard came in first in the semi-main with Robbie Vieley second. Heat winners were Brother Brogden, Howard Smith and Billy Beard.

Slate Bike Derby Next Friday at McMaster Park

Participating youngsters will receive a free book on "Bike Fun," plus an emblem for their T-shirts.

From 10 a.m. to 4 p.m. the park will hold its Country Store Days, with items brought in by youngsters. Such items as old jewelry, ceramics, comic books, and other bric-a-brac, will be sold for not more than five cents each. Proceeds will go toward a spaghetti dinner to be held in August. Further information can be obtained at DA 4-9257.

The Monday night ATZGB Girls had a hot gal on their league last week. Flo Schow shot a 582 scratch series with games of 190, 233, 159. Flo is on two other Gable leagues and carries around a 160 average, but last Monday night everything was working right and she smashed a 194 average. Nice going, Flo.

Two fellas in the GHBA Friday night league shot over a 600 series. Virg Stidham hit a 631 scratch series with Howard Peabody close behind with a 629.

GABLE VS. JEFFERSON
The GHBA and Jefferson Bowl Association had a tournament at Jefferson last Sunday afternoon and Jefferson won 18-14. Three people from Gable lost their match by one pin.

The association is anxiously looking forward to a rematch very soon. Try and see these house tournaments as they are exciting and very colorful with Jefferson in their aqua shirts and Gable with their black and white ones.

The Juniors from Gable and Jefferson met at Gable House last Sunday. The Gable Juniors won all four games and here are the standings.

GABLE
J. De Bona — 195, 149, 168 — 512; T. Rice — 204, 147, 173 — 524; L. Fusimoto — 128, 172, 157 — 457; G. Hart — 160, 178, 180 — 518; M. Krone — 191, 177, 194 — 562; total pins 2873.

JEFFERSON
B. Sperry — 160, 139, 138 — 437; B. Cool — 138, 154, 158 — 440; B. Harrison — 186, 155, 158 — 509; S. Marson — 200, 183, 201 — 584; J. Selch — 172, 157, 171 — 500.

WEEKLY TROPHIES
The lady high pinners were Lee Stidham in the Association Tournament, a 223; Marion Miyamoto, 221; Jean Coakley, Eagles 219 and 203; Jo Ann Fenton, 216; Kazuko Tatsumi, Nisei, 205; and Ann Porter, Thursday Mixed Four, 201.

Other winners were Howard Fwimoto (Juniors) and Grace I. Lynch (Cable Owls) for converting the 6-7-10 split. Steve Marson, Junior in open play, shot 200, 201 games.

Men high scorers were Joe Martinez, Del Amo Mixed, 255 and Lute Harless, 254.

Last but not least was the excited Dottie Brown who rolled a 213 in open play Sunday.

When this reporter featured her as a "Portrait of a Bowler" some month's back, Dottie's high game was 189.

Over the week-end, Dottie rolled in the Moonlight Bowl Saturday night, bowled in the GHBA Tournament at Jefferson Sunday, then came back to Gable and rolled three more games. Tears and excitement filled the lanes when Dottie hit her first 200 to make it a 212. She was so excited that she went home and called all her friends. It all goes to show that if you work hard enough and have patience, you will finally come up with a high game.

CAME IN EIGHTH
Gable's hustler, little Davey Matosky bowled over the week-end in the Southern California Junior Match Game Tournament at the Victory Bowling Center in Van Nuys.
